

from "Geography Songs" by Kathy Troxel / Audio Memory

Greenland Song

The biggest island
in the north is Greenland.
It's in the north Atlantic,
northeast of Canada.
A land of ice and snow,
of fish and Eskimos -

The Danish people settled there
and called it Greenland.

GREENLAND SONG

THE BIGGEST ISLAND
IN THE NORTH IS GREENLAND.
IT'S IN THE NORTH ATLANTIC,
NORTHEAST OF CANADA.
A LAND OF ICE AND SNOW,
OF FISH AND ESKIMOS -
THE DANISH PEOPLE SETTLED
THERE AND CALLED IT GREENLAND.
